

LOGINA AHMED MAGDY ALIAN

Software Testing Intern | Computer Science Student

✉ loginaa.alian@gmail.com ☎ 01035935828 📍 Giza, Egypt 🔗 linkedin.com/in/loginaalian/

PROFILE

Computer Science student at Misr University for Science and Technology with a strong interest in software testing, quality assurance, and test automation. Currently developing automation-testing skills through the Digital Egypt Pioneers Initiative. Proficient in Python, Java, and C++, with a strong foundation in algorithmic problem-solving and competitive programming.

EDUCATION

Bachelor of Computer Science

Misr University for Science and Technology (MUST)

TECHNICAL SKILLS

Programming

Python · Java · C++

Problem Solving

Algorithmic Problem Solving · Competitive Programming

Testing

Automation Testing · Software Testing Fundamentals · Quality Assurance

Soft Skills

Leadership · Teamwork · Communication · Organization

LANGUAGES

Arabic

Native

English

B2 (Upper-Intermediate)

TRAINING

Technical Trainee, Automation Testing

Present

Digital Egypt Pioneers Initiative (DEPI)

Currently enrolled

- Developing practical knowledge of software testing, automation testing, and QA concepts.
- Applying programming and problem-solving skills through technical exercises.

Ghawy AI — Automation Course Completed a practical course focused on AI-powered automation and workflow automation.

05/2026 – 06/2026

Ghawy

COMPETITIVE PROGRAMMING

ACPC — Arab Collegiate Programming Contest

Participant

Practiced algorithmic thinking, coding, and logical reasoning under time constraints.

LEADERSHIP & VOLUNTEERING

Resala Charity Organization

Assistant Leader / Volunteer

Supported team leadership, coordinated activities, and contributed to organizing volunteer initiatives.

AIESEC

Volunteer

Collaborated with team members and supported organizational and volunteer activities.

PROJECTS

Adventure Game — Python

2025 – 06/2025

- Developed an interactive Adventure Game using Python.

- Applied programming fundamentals, conditional statements, loops, and problem-solving techniques.
